

May 2024

Announcement of Design Number Change for Double Action Link Clamp

(model TMA)

model TMA

Dear Valued Customers,

We would like to take this opportunity to thank you for your continued support and business.

We would like to inform you of the following matter. We sincerely ask for your kind understanding.

Notes

The design number of the following product will be updated due to the change of body material.

1. Model number

Product name	Existing model	Model number after design number update
Double action link clamp	TMA□□□0-2□□	TMA□□□1-2□□

2. Compatibility with existing product

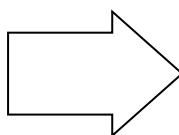

There are no changes in mounting dimensions or basic performance.

Compatible with existing product but appearance will be different.

【Existing product】

Link fulcrum split type

【After change】

Link fulcrum integral type

3. Schedule

The change will start around from May 2024.

Kindly contact our sales representative for further inquiries.
